

Jingdan YANG 杨静丹, MA/MSc/M.Res

Address: Room B, 1/F, 120 Tung Choi Street, Mongkok, Kowloon, Hong Kong
Phone: 56101143
Email: y.jingdan@gmail.com
ORCID: <https://orcid.org/0009-0006-5247-3266>

PROFILE

A doctoral student and clinical speech-language therapist specializing in child language disorders in Mandarin-speaking populations. Expertise lies in the standardized assessment adaptation and evidence-based intervention. Combines active research with extensive clinical practice to bridge theory and application. Seeking to contribute to academia through innovative teaching, student mentorship, and a robust research program in child language acquisition and disorders.

EDUCATION

Doctor of Philosophy in Child Language Disorders Jan 2024 - Present
The Hong Kong Polytechnic University

- Thesis: dynamic assessment and intervention of narrative skills in Mandarin-speaking children with language disorders
- Advisors: Prof.Dr.Li SHENG, Prof.Dr.Trina Spencer (University of Kansas)

Erasmus Mundus Joint Master in Clinical Linguistics Sep 2019 - Aug 2021
University of Groningen (Netherlands), University of Potsdam (Germany), University of Eastern Finland

- Awarded Prestigious Erasmus Mundus Scholarship by the European Commission
- Core Curriculum: Acquired & Developmental Language Disorders, Psycholinguistics, Neurolinguistics, Bilingualism, Advanced statistical data analysis

Bachelor of Education in Speech and Hearing Sciences
Beijing Language and Culture University Sep 2015 - Jul 2019

- Thesis: *The effects of multisensory integration training on language rehabilitation in a patient with global aphasia*
- Key modules: Rehabilitation medicine, Developmental and experimental psychology, Special education, Chinese and English linguistics.

CLINICAL EXPERIENCE

Speech Language Therapist (Lead), Neural Galaxy Healthcare Clinic (Beijing) Nov 2022 - Dec 2023

- Led diagnostic assessments and intervention planning for a pediatric caseload with ASD, Down syndrome, dysarthria and developmental language disorder (DLD).
- Developed and delivered training programs for clinical staff and families, enhancing diagnostic and therapeutic skills across the team

Speech Language Therapist, Engage Learn and Grow (Shanghai) Oct 2021 - Oct 2022

- Managed a diverse caseload of children (3-20 yrs) with complex needs (ASD, CP, DLD, Down Syndrome, etc)
- Conducting screening and assessments using standardized tests such as CELF-5, PPVT-5, EVT-3, PLS-5, CSBS-DP, TOPS-3, TNL-2; Providing evidence-based interventions
- Collaborating with OTs, BCBAs, and psychologists to create integrated care plans
- Biographies: 认识杨静丹，我们的言语语言病理学家 (English Version: Meet Jingdan YANG...)

Student Clinician, China-Japan Friendship Hospital (Beijing) Sep 2018 - May 2019

- Conducted evaluations and treatment for adults with aphasia, dysarthria, dysphagia and dementia under professional supervision.

RESEARCH AND TRAINING EXPERIENCE

Research Assistant, Macquarie University, Australia (Remote) **Mar 2021 - Jun 2021**

- Transcribed and coded Mandarin and English child narrative samples (CHAT/CLAN format) for a cross-linguistic study on bilingual language development.
- Performed quantitative data analysis using Linear Mixed Effects models and correlational analyses in R

Speech-Language Pathology and Audiology Summer School **July 2018 - Aug 2018**
Rush University (Shenzhen, Guangdong)

- Acquired Language Disorders (by Prof. Richard Peach)
- Dysphagia (by Dr. Lisa LaGorio)
- Motor Language Disorders (by Dr. Emily Wang)

Speech-Language Pathology and Audiology Summer School **Jul 2016 - Aug 2016**
North Carolina Central University (Beijing)

- Anatomy and Physiology, Introduction to Audiology, Auditory Rehabilitation (by Prof. Daniel Scott)
- Clinical Phonetics (by Prof. Thomas Layton)
- Speech Language Development (by Dr. Katrina Miller)
